

SENATOR HOLLINGS' INTERN PROGRAM

Summer 2003

Eligibility

Applicants must have completed at least one year of college and be residents of South Carolina.

Sessions

Each internship is four weeks long. There are three sessions:

1. May 12 to June 6
2. June 9 to July 4
3. July 7 to August 1

Please indicate your availability and preference (if you have one) by marking the number of the session (as listed above 1, 2, 3) in the spaces provided on the application. Also, list the number of any session for which you would not be available. Lastly, indicate in the space provided whether you would be available for any of the sessions. It will be easier to work with those who are willing to be considered for any session, but we would like to know your preferences and will try to be accommodating.

Letters of Recommendation

Letters of recommendation are encouraged. You may include them with you application or have them sent diectly to us. Please encourage those providing recommendations directly to adhere to the application deadline.

Salary

Interns are paid. Salary is about \$150 a week.

Housing

Housing is not provided or prearranged. There are a number of colleges in the city which rent dorm space in the summer. Beyond this, monthly rentals are very limited but a few exist and a list will be provided. Housing is expensive and if you do not live in a dorm situation, you will probably have to have roommates. We will provide you with a list of your fellow interns in this office and, if possible, we will try and provide a list of any other students from South Carolina who are interning for other members of the delegation during your session.

Deadline

We would appreciate receiving your application at your earliest convenience. The deadline for receipt of applications is **February 15th**.
